

Grading

Students are graded on a 4.0 scale. Classes taken on a pass/fail basis are not counted in the CGPA, indicated by the grade "P." Only the highest grade will be factored in the CGPA in the event a class is attempted more than once; however, each attempt will be noted on the transcript as an R. Grading reflects the student's progress and proficiency in their particular course of study. Each student's progress is monitored from points earned in class performance, attendance, assigned work, and tests. Total points are then calculated, and a final grade is given according to the following scale.
