

Non-Attendance Withdrawal Policy

Students who are absent 14 consecutive calendar days will be withdrawn from their programs of study. Students withdrawn due to lack of attendance may apply for re-entry the following term. Approval for re-entry is based upon a student's satisfactory academic progress (SAP) in the program and the student's ability to prove that circumstances leading to withdrawal have been resolved. Students approved for re-entry must pay a \$25 re-entry fee and the current program tuition rate. Students may appeal in writing to appeals@bryanuniversity.edu if they feel an error has been made in their attendance records.
