

# Re-Enrollment/Re-Entry (Not Dismissed for Unsatisfactory Academic Performance)

Students who are no longer attending the University for reasons of non-attendance, non-return from a scheduled break, or non-return from Leave of Absence may request re-enrollment by petition to Alumni Relations.

- To be considered for re-enrollment, such applicants may be interviewed by the Program Director or the Student Outreach Department.
- If the re-entry is approved, re-enrollment and Alumni Relations will facilitate student meetings with the Registrar, Financial Aid, and Admissions.
- If an applicant is not re-enrolled, the applicant may appeal the decision by written petition to [appeals@bryanuniversity.edu](mailto:appeals@bryanuniversity.edu).
