

Veteran Tuition Addendum

The following additional information is applicable to veteran students only. Bryan University is proud to offer veterans a discount of \$1,500 on any associate or master's degree program and \$3,000 on any bachelor's degree program. The tuition below reflects this discount on tuition.

Many of Bryan University's programs include the ability for students to sit for industry certifications if the student so chooses. The cost of these certifications are not included in tuition. If a veteran student would like to sit for a certification, the student must pay for the exam and then submit the cost of the certification to the VA after completion for reimbursement by the VA at its discretion. The allocations for license exams are approximated below, as they are offered by third parties and may change from year to year. For a more detailed break out of tuition charges, please refer to the Bryan University Tuition and Fee Schedule located in this catalog.
